4. Evaluation of Achievement of Institutional Aims

The activities carried out in 2005 are priority activity to contribute to the improvement of our youth's cultural and artistic perspective. And also, activities were held to raise awareness of our society and youth on natural disasters that are among our social concern. Contribution to education, which is among the main aims of our foundation, was one of the working areas that was carried out as either activities or educational support and aid in 2005 too.

The participation level of our primary target group the youth was high in almost all activities in 2005. This situation is considered as an important consequence for reaching our foundation's aim on the rising generation.

Our foundation brought together youth with the important names of art and academy world with the activities during 2005. Our foundation spent a year in a cooperation and close communication with its shareholders like universities, nongovernmental organizations, private sector foundations and media.

5. Evaluation of the Capacity of Partnership Development

While our foundation produces more effective works with its present shareholders and solution partners every passing year, it achieves more success on carrying out more partnership by adding new institutions to this chain of communication. 2005 was a year that the foundation's communication was strengthened with community leaders.
