4. Evaluation of Achieving the Aims of the Institution

The activities conducted within the first half of 2016 were in accordance with the work field stated in the foundation regulation. Activities were carried out in a manner that examine and question the problems in various fields of our society, and that offer solutions to these problems.

The participation levels of the young individuals which are our primary target audience were high numbers in the activities conducted by our foundation throughout the year of 2016. Such conditions are determined to be the significant results in realizing the ideals of our foundation regarding the younger generations.

Our foundation have had the opportunity to reinforce the communication with its partners such as public bodies, universities, nongovernmental organizations, private sector organizations and media, through the conducted activities.

5. Evaluation of Partnership Improvement Capacity

Our foundation, with each year, have had produced more effective works with its existing partners as well as solution partners, and accomplished to establish numerous partnerships by adding new institutions to this chain of communication.

We can easily state that the year of 2016 was concluded with a series of activities created, especially, on the level of ministries.

NGO Expo which is first held in 2016 has been an activity of great importance which has provided a common ground with numerous non-governmental organization which we can carry out further collaborations.

Career Expo which was held with the participation of 15 private sector organizations, was conducted in a manner which will help the process of developing solution partnerships with a higher number of private organizations.

6. Benefits for Target Groups
