11	Timing and management achievement	70	80

6. Evaluation of Achieving the Aims of the Institution

The activities conducted within the first half of 2021 were in accordance with the work field stated in the foundation regulation. Activities were carried out in a manner that examine and question the problems in various fields of our society, and that offer solutions to these problems.

The participation levels of the young individuals which are our primary target audience were high numbers in the activities conducted by our foundation throughout the year of 2021. Such conditions are determined to be the significant results in realizing the ideals of our foundation regarding the younger generations.

Our foundation have had the opportunity to reinforce the communication with its partners such as public bodies, universities, nongovernmental organizations, private sector organizations and media, through the conducted activities.

7. Evaluation of Partnership Improvement Capacity

Our foundation, with each year, have had produced more effective works with its existing partners as well as solution partners, and accomplished to establish numerous partnerships by adding new institutions to this chain of communication.

We can easily state that the year of 2021 was concluded with a series of activities created, especially, on the level of public institutions.

A significant activity carried out in 2021 in which established the engagement with numerous nongovernmental organizations we can conduct joint activities.

Activity conducted in a manner which will help the process of developing solution partnerships with a higher number of private organizations.

8. Benefits for Target Groups

Target Group 1: Young Individuals

Increase in awareness regarding societal and universal matters
Encouraging the need of continuous improvement and learning
Increase in social communication and participation levels
Increase in self-expression and confidence

Target Group 2: Public Bodies

Contribution to the basis of discussion or popularization of institution policies
Opportunity to increase public awareness on institutional activities
Analyzing the changing needs and expectations of the target audience
Media representation

Target Group 3: Nongovernmental Organizations

Opportunity to reach to the target audiences
Opportunity to generalize and increase the recognition of organization's workers
Basis for creating strategic solution partnerships
Media representation

Target Group: Private Sector

Opportunity to reach to the target audiences
Positivity contribution to institutional image
Opportunity to present products or services
Opportunity to observe the changing needs and product/service demands of the target audiences

9. Sustainability

Our foundation possesses the equities to maintain the activities conducted within the year of 2021. On the other hand, activities must be increased by carrying out actions with national and international agents.

10. Communication and Advertising

Active utilization of the social media accounts and English as well as Turkish versions of the website has been edited within the year of 2021. Activities regarding the promoting the conducted projects on national and local media has been realized. Posters and press bulletins were prepared.
